## PICTURE DAY

Picture Day is here again! Our annual Picture Day will be on **MONDAY, October 3** for the entire child care center. Every child present that day will be in the group picture. **If you wish to have your child photographed individually, a completed picture envelope (with payment inside) must be submitted to the teacher on MONDAY morning October 3.** We will try to get everyone clean and neat, and really work hard for those smiles (although smiles are not 100% guaranteed!!) **A picture envelope is included with this newsletter** if you wish to get an individual picture of your child. Of course your child can simply be a part of the group picture without any purchase. **If you will be requesting a sibling picture, a separate envelope and separate payment must be used. Please note: We will start group photos at 9 AM & cannot hold or retake photos. If you want your child to be present for the photos, ensure that he/she is present by 9 AM Monday!**

## JESUS JUBILEE

At Calvary, it is our desire to honor God in all that we do! We like to have fun too! At the end of October, we celebrate "Jesus Jubilee"! Jesus Jubilee is all about sharing how great God is and how much we appreciate all that He does for us. We will have a special party and fun snacks on **Monday, October 31**. Watch the parent boards for details! :)

## Days Closed

We are almost always open! However, as listed in the 2011-2012 policies, we do sometimes close on scheduled days! These days are listed in the policies, but are also attached to this newsletter for one quick reference for you. It's handy to keep on the refrigerator, in your planner, or at work. The dates are also all on the calendar on the **website!** As a side note, on the days that we are open around the holidays, we typically poll parents in regards to attendance. This helps us to know how to plan for staffing on low enrollment days. Always check the classroom parent board!

Please help us to cut down on GERMS!

- \*Wash hands when arriving every day
- \*Follow the Wellness Policy
- \*Practice using your cough catcher—ask your child about it!
